

INTRODUCING CTECS

California Career Ready Assessment

CTECS is proud to announce a California Career Ready Assessment for competence in fundamental workplace skills and behaviors universally expected of all employees and professionals. This assessment encompasses Professional Knowledge & Skills, Personal Qualities & People Skills, and Technology Knowledge & Skills.

CTE™ Learning that Works for California

While students might be trained to be *technically-ready* to perform their skill set, they often need assistance and guidance to be *professionally-ready* for any workplace. The CTECS California Career Ready Assessment ensures they are prepared for the following real-world aspects of their professions:

- Apply appropriate technical skills and academic knowledge
- Communicate clearly, effectively, and with reason
- Develop an education and career plan aligned to personal goals
- Apply technology to enhance productivity
- Utilize critical thinking to make sense of problems and persevere in solving them
- Practice personal health and understand financial literacy
- Act as a responsible citizen in the workplace and the community
- Model integrity, ethical leadership, and effective management
- Work productively in teams while integrating culture/global competence
- Demonstrate creativity and innovation
- Employ valid and reliable research strategies
- Understand the environmental, social, and economic impacts of decisions
