977 School Districts
8 of the 15 Industry Sectors are offered throughout 5 school districts.
Work Ready Certificate

QUALIFICATIONS

The Yolo Work Readiness Certification process includes the following:

- Portfolio:
  - Resume
  - Cover Letter
  - Generic Job Application
- Mock Interview
- Feedback Form
- Student Linked-In Account Verification
- On track for graduation from high school (transcript or counselor verification)
- Attendance of at least 80% during the last grading period before application
- Passing score on the Career Technical Education Consortium of States (CTECS) post-assessment
Feedback so far:

- There aren't enough pathway options to choose from in the drop down.
- Would be useful for a student to select more than one pathway.
- Teachers are already asking for subject specific content.
- Overall, there is a sense of excitement for the data that we haven't had before.
- 60 minute test is not feasible at my site, students were given 40 mins. Most finished, is there a way to adjust the time or questions?
